

Children's Programs

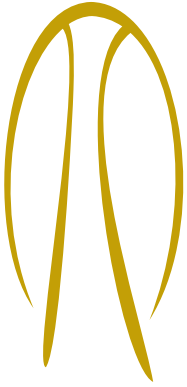

Nursery Policies

- Parents must sign their children in and the same parent must sign the child out. Once a child is dropped off, the parent may not leave the building under any circumstances. Please write on the sign-in sheet where you will be in the club.
- Children who are crying uncontrollably will be given 10 minutes to calm down before a parent is disturbed from their workout.
- Children should arrive freshly diapered, they will be changed, as needed during their stay. Diaper bags, diapers and wipes should be clearly marked with the child's name.
- All the child's items should be clearly labeled, especially bottles, juice cups, snacks, etc.
- For parents with children who have food allergies, please note we have an allergy list that we update often. Please notify childcare staff as to what your child's allergies are and they will be added to the list.
- Peanut products are prohibited, therefore if they are brought into the room the child will not be allowed to have that snack.
- Absolutely, no medication will be given to a child in our care.
- If your child is ill we ask that you keep your child at home as to not infect others. If your child becomes ill, while in our care we will contact you immediately.
- Inclement Weather Policy: During bad weather, please call ahead for nursery schedule changes. If you would like to receive the changes via text, please text 28748 and in the message type nurseryupdates (one word, no capitals).
